Agency Information

The Department of Health and Human Services (DHHS) is driven by its vision of Maine people living safe, healthy and productive lives. Its goal is to assist the people of Maine in Meeting their own needs, as well as the developmental, health and safety needs of their children. It serves the public in an environment that reflects a caring, responsive and well-managed organization

Dorothea Dix Psychiatric Center is a 100 bed psychiatric hospital serving two-thirds of the State's geographic area that provides services for people with severe mental illness.

Job Duties

This is structure and craft work in the general maintenance and repair of machinery, equipment, mechanical systems and laundry, kitchen and farm machinery and equipment; and buildings and grounds. Assignments are received in the form of oral instructions or written work orders. Supervision may be exercised over assigned helpers. Work is performed under general supervision.

Requirements

Two (2) years experience in the general maintenance and repair of machinery, equipment, mechanical systems and buildings.
